Hmm...

Li

So from here

Outer Gus leaves Li

And Inner Gus becomes Kan.

That's correct.

I see that you know about all the circles within the Shifting Stance.

Now, theoretically you should have no problems

If I use the Shifting Stance, I can use my stepping technique to climb up this cliff rather easily.

but that's hindered by my internal wounds at the moment, so that's not an option.

I'm sorry-----

It's alright.

Huh Gongja, you will do it in my stead.

Since we've confirmed that you understand how to use all the circles properly in the Shifting Stance,

you should be able to use Three Step Rushing Strike my Father passed down to you.

There's no reason why you wouldn't be able to do it.

The only thing you need...

is confidence.

Confidence.

Yes, take  
confidence in  
yourself.

You are  
much...

greater  
than you  
think!!

Yes...

Whatever happens...

I need to get up.

That's the only way...

I can save my  
brothers!

LORE MANGA!

my fate

Okay

I'm  
ready...

?

What?

What're you doing?

Were you planning to leave me here?

[LONG BREATH]

...Ah!

Of course not!

Of course not, my lady!!

Come, get on my back! Hurry!

...

Here we  
go!!!

Chapter 23  
Snow White - II

BOOM...

BOOM...

On the  
first step,  
you will find well  
precision.

On the second  
step, you will  
carry the aura.

And on the third  
step.

you will  
drive out  
your spirit.

LONG MANGA!

Now  
I know...

that the strength  
of the Three-Step  
Running Strike  
increases with  
your level of  
concentration...

If I can  
put even  
more focus  
into it...

Youngest...!

Youngest,  
you...

You're  
alive!!

Ah...!

Elder brothers,  
you're safe!

What's  
going on...?!

...!

I heard that  
you fell off  
the cliffs with  
the witch..

So how  
are you  
alive...?!

I see, so that's  
what you wanted  
to happen.

step

W-

Witch of  
the..

Mysterious  
Shifting  
Forest!!

...!

6 years  
374

I see...

you've  
spread lies  
about me...

She wasn't  
a mute...?!

Ah...

B-  
Brothers

I think that we've  
misunderstood  
this young lady.

LONE MANGA!

I'll explain  
in detail later,  
90...

No...

You don't  
need to explain  
anything...

I already  
understand

who the real  
enemy is!

...!!

Damn  
It...!

Leave Me Alone!

How could  
that woman  
come here  
without a  
scratch...

I can take  
care of the  
others, but I can't  
take care of  
that woman by  
myself...

What  
should  
I do...?

Ja...

Ja-pyeong!!

Kuk...

Kugh

Kuk

Wake  
up!

Ji-pyeong!

...

RUN

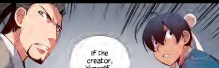

Fourth  
brother!!

...

This  
poison...

I don't think  
I can take care of  
this poison with  
just emergency  
treatment...

if the  
creator,  
himself...

does not  
tell us the  
cure...

LONE HANGAI

...

Heh...

What's this?  
Those eyes  
of yours...

Do I look  
like the type to  
carry around  
an antidote?

Even if  
I wanted to  
bring you the  
antidote..

There's a  
woman blocking  
the entrance..

...

Yes...

I've no plans  
on letting you  
leave so easily.

I can't let him  
find out...

That I have internal  
wounds yet...

But I cannot  
ignore Huh  
Gongzi's elder  
brother as well.

and

Allow me  
to make a  
proposal.

I was surprised that he took down the door with his strikes...

But a single strike?!!

No... This isn't about my pride, I need to avoid this situation as much as possible...

Can L. trust you to keep that promise?

Of course, I swear on it.

Excuse me...

Do I get a say in this?

Huh Gongia,  
I told you  
right?

Have more  
confidence in  
yourself!

Yes!!

I'll try!!
